Re: Letter of Commendation

City Attorney

J. Patrick Floyd

The intent of this letter is to serve as a written commendation for the outstanding police investigative work you have performed over the past year.

Your dedication to justice has led to several arrests and has created a safer community for all the citizens of our city. The most recent, resulted in charges of aggravated battery with a deadly weapon and landed both perpetrators in jail awaiting trial. Through your actions, these subjects will no longer be a threat to the citizens of Apalachicola.

You are an asset to your community and it is an honor to have you as a member of the Apalachicola Police Department.

Sincerely,

Van W. Johnson, Sr., Mayor
The Historic City of Apalachicola
